Customer Yard Map

Please identify any of the following items in the map.

*Desired location of tank

*Map and mark any septic or drainfield lines, electrical lines running to outbuildings or yard lights, any irrigation lines, phone lines. etc

Customer Name:

Address/ Location:

By signing this form I have mapped and marked anything in my yard that could be damaged by a trencher. Anything that I have not marked is my responsibility to repair. I understand that it is not the responsibility of Lakes Area Cooperative or its employees to repair or compensate financially.
